CYCLIST RISKS LIFE

New York—Jim Zanora, one of the best known trick bicycle riders in the United States, risks his life at every public appearance and knows how necessary it is for him to have a steady nerve and unflinching strength. The slightest wobble might cost him his life. He is a daredevil and this is the reason for his great interest on that account. He says: "I do trick bicycle riding as a profession and I have been doing so for many years. I was always tired and weak. I got so I had no strength and felt all run down, but since using three bottles of Vinol I feel like a new man. I have commanded Vinol to others and they too are using it with good results. Your strength is just as valuable to you, and we want to say to you that there is nothing so good as Vinol, our delicious cod liver and iron remedy without oil, for making weak and without people robust, strong and well. It is good for children and old people too, and we give you money back unless Vinol does all we claim. Graham & Company, Drugists, Connellsville, Pa. and in West Connellsville by Fred H. Harnemann, Druggist."

CASCARETS SURELY STRAIGHTEN YOU OUT

No Headache, Biliousness, Upset Stomach, Larynx or Constipated Bowels By Morning.

Are you keeping your bowels, liver and stomach clean, pure and fresh with Cascarets, or merely forcing a passage through these alimentary or drainage organs every few days with the irritating pills, Castor Oil or Purgative Waters.

After a bowel wash-day, let Cascarets thoroughly cleanse and regulate the bowels, remove the undigested, sour and fermenting food and foul masses, to take excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep, never grip, seldom cause any inconvenience, and cost only 10 cents a box from your druggist. Millions of men and women take Cascarets now and are and never have Headache, Biliousness, coated tongue, indigestion, sour stomach, or Constipated Bowels. Cascarets belong in every household. Children just love to take them.

Prattling Prevarication.

Not being able to successfully deny that it is owned by certain political interests and is slave to them, the Uniontown High Water Mark Herald, with that peculiar strategy for which it is famous in Fayette county politics, seeks to make a diversion by asserting that The Courier is either subsidized or owned outright by the Steel Corporation.

Neither the Steel Corporation, nor any person connected with it in any capacity, own any portion of The Courier, nor did they ever have the slightest financial interest in it. Furthermore, The Courier is not subsidized by the Steel Corporation or by any other interest or person.

The Herald is attempting the light and it wants us to explain some more things it cannot understand. Sorry, but the leading newspaper of Fayette county is so crowded with advertising today, and the editorial space so short, that we cannot bother with prattle and prevarication.

This is a newspaper, not a kinder-karten.

Jesse Hook Wile's "Contest."

The hearing in the case of Jesse Hook Wile, late Democratic candidate in this district, who is contesting the seat of Congressman Thomas Spencer Crago, confirms the suspicion that the contest is one of bluff not wholly devoid of evidence.

No evidence was produced to support the allegations of the contestant, and his charges were to say the least, rather vague. His testimony was an arraignment of the court to support his claims by suspicion instead of facts. He told the committee that he was defeated by wholesale bribery and corruption, which was participated in by almost everybody in Fayette county from the judges on the bench to the judges of election, while as a matter of fact few elections have been cleaner. It wasn't necessary to bribe the voters to vote against Jesse.

J. Hook is evidently laboring under the impression that he can break up Congress through political prejudice, and that evidence isn't necessary to make out his case.

Christmas will come to all the Conneltsville folks plants.

Connellsville's Oldest, Biggest and Most Popular Clothing House soon to be but a memory. Never was there an opportunity to secure such values as this going out of business sale gives you.

FRIDAY MORNING, DECEMBER 15, AT 9 O'CLOCK

We throw open our doors to a Gold Mine. You will save more here in a few minutes than you could earn in a week.

We were 25 years in building up our magnificent clothing business, now we are going to give it to the public in a few days. Other business interests demand our personal attention and caused us to take this action. The Goodman Store is known by every man and child in this section. This establishment won its fame and success by always handling the very best lines of clothing and furnishings and by selling them at a smaller price than other stores. We have been deluged with offers to sell, but we prefer to dispose of the vast stocks in a manner that will give our old friends and patrons as well as the public in general an opportunity to buy the very best at a very small cost.

When we say the Goodman store is the biggest exclusive clothing store in Fayette county we are telling the truth; when we say this is the oldest store, it's true and when we make the claim of handling the best lines of clothing manufactured, we have the proof for you right here in the store. We want you to come during this sale. Look over the bargains. We'll be glad to see you whether you buy or not.

THE PIRATES' CAMP IS NEAR SCOTSDALE

Red Flag by Day and Lights by Night Call the Gang.

FAITH NOW HAS A POLICE DOG

Miraculous Recovery of Col. John Anderson—Interest Being Manifested in Nihil, Gravel and Coal Along Jacobs Creek, Below Scottdale.

Special to The Courier.
SCOTSDALE, Dec. 12.—People who have been far enough west of town to see out over the hills beyond S. S. Black, whose fine farm crowns one of the hills, have been speculating as to what the great blood red flag flying on a tall pole just below Black's place signifies. The secret of the mysterious flag and the mysterious lights has been revealed. The red flag does not wave for anarchy and bombs, but perhaps something that used to be in that class for the red flag waves over the "Pirates' Club." The club is an organization of the young and more bloodthirsty element who, far from the founding red waters of Jacobs creek, dream of pillaging the noble merchantmen and passenger steamers of some far off sea. The flag with its sinister red is thrown in the breeze whenever the brass horn of the club are called together in the day. The red lantern and the white lantern are run up the mast at night, when something of importance is going on, and a large number of the young boys from a distance flock to the signals, if school or home chores are not too pressing upon them. The Pirates have a lair constructed near a stone pile, and there is comfort and free from all enemies they give rein to the "gang" spirit that is inseparable to boyhood life.

A POLICE DOG.
Scottdale may not possess bloodhounds, but it does have a police dog, a fine collie, that has been lately making the rounds in company with Police Officer Harry B. Faith. Mr. Faith and his companion make a team that lawbreakers would find difficult to ignore. The dog is being trained and shown an aptitude for the exploration of dark alleys where a mine would be at a loss to discover any hidden letter.

Col. John Anderson, who was taken from Scottdale to the Mt. D. Daulton, near the White school house, yesterday. Doctor Daulton, who is a physician, and Mr. Anderson's family and friends his apparent recovery is looked upon as little less than miraculous. FOR OLIVE TABLETS.
A number of parties have recently been down Jacobs Creek looking over the J. D. Porter farm being interested in the large sand and gravel deposits there. Large deep beds of sand and gravel and acres of sand are located in paying quantities along the creek. A number of men own the right of way for a railroad from Tinsboro along down along the creek and which would tap these flows, and also some claim to this vicinity. It is likely that something will be done with the sand, gravel or coal this spring.

Headache?—It's Your Liver

Too Many People Take Headache Powders When a Liver Tonic is Needed.

Try Olive Tablets—the Substitute for Calomel.

Dr. Edwards' Olive Tablets are the one substitute for dangerous calomel. They do all of calomel's work without any of its bad after effects. There is no necessity, when you take Olive Tablets, of following them up with nasty, sickening, griping salts or castor oil, as you should after taking calomel. There is no need to eat certain food or any other metallic drugs, they are a purely vegetable compound mixed with olive oil, sugar-coated, easy to take, and never gripe or cause weakness. Thousands of people take one every night at bedtime just to prevent disorder of the liver, constipation, bad breath, pimples, headache, etc. Olive Tablets are made of pure vegetable compounds mixed with olive oil. Dr. Edwards' calomel's old enemy, discovered the formula for Olive Tablets after seventeen years of practice among patients afflicted with liver and bowel trouble. Try them for a week. Take one or two every night. "Every little Olive Tablet has a movement all its own."

This Father Refused to Let His Daughter Die.

Here is a story with a moral that many parents might take to heart. "My daughter was very pale, nervous, thin, and suffered with severe pain in her back, so that she took her school. Five bottles of Thompson's Bismuth made a perfectly healthy girl. Thompson's Bismuth saved her life, for she was falling so fast that death was not far off."—Frank D. Menden, Pleasantville, Pa.

ECZEMA BROKE OUT ON FACE AND BODY

When Two Months Old, She Scratched, as It Itched, Did Not Sleep for More than a Week. Was in a Terrible Condition.

Used Cuticura Soap and Ointment and in Two Weeks She Was Well.

"When my baby was two months old, she had eczema and rashes very badly. I noticed that her face and body broke out very deeply, thick, and red as a coal of fire. I did not know what to do. The doctor ordered castile soap and powder, but that did not help. She would scratch, as it itched, and she cried and did not sleep for more than a week. One day I saw in the paper the advertisement of the Cuticura Soap and Ointment, so I got them and tried them at once. My baby's face was as a coal of fire. When I first used the Cuticura Soap and Ointment, I could not see any difference. In color it was redder. I continued with them. My baby was in a terrible condition. I used the Cuticura Remedies (Soap and Ointment) four times a day, and in two weeks she was quite well. The Cuticura Remedies healed her skin perfectly and her skin is now perfect. I am now using them for more than a week. One day I saw in the paper the advertisement of the Cuticura Soap and Ointment, so I got them and tried them at once. My baby's face was as a coal of fire. SURELY BREAKS UP A BAD COLD

The Most Severe Cold and Grippe
Misery Will Be Relieved in
Just a Few Hours.

It is a positive fact that a dose of
Pape's Cold Compound taken every
two hours until three consecutive
doses are taken will cure Grippe or
break up the most severe cold, either
in the head, chest, back, stomach or
limbs.

You distinctly feel the cold break-
ing and all the disagreeable gripe
symptoms leaving after the very first
dose. It promptly ends the most mis-
erable headache, dizziness, head and
nose stuffed up, feverishness, sneez-
ing, sore throat, running of the nose,
mucous catarrhal discharges, sore-
ness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result
of three years' research at a cost of
more than fifty thousand dollars and
contains no quinine, which we have
conclusively demonstrated is not ef-
fective in the treatment of colds or
grippe.

Take this harmless Compound as
directed, with the knowledge that
there is no other medicine made any-
where else in the world, which will
cure your cold or end Grippe misery
as promptly and without any other as-
sistance or bad after-effects as a 25-
cent package of Pape's Cold Com-
pound, which any druggist in the world
can supply.

Just One Bottle of Mar-

The best thing about this letter is
—that it is true—every word of it. I
have taken only one bottle of RHEU-

was in terrible shape from Rheuma-
tism, but that is all past. —Bert Hil-

Read it again, you Rheumatics, full

around saying Rheumatism can't be

Two bottles cured her of Rheumatism
completely." —Wm. H. Phillips, Box

NO REASON FOR IT.

You are Shown the Way.
There can be no just reason why
any reader of this will continue to
suffer the tortures of an aching back,
the annoyances of urinary disorders,
the dangers of serious kidney ills
when relief is so near at hand and
the most positive proof given that
these ills can be cured. The following
is convincing proof.

C. C. Fugo, 105 East Main street, Mt.
Pleasant, Pa., says: "I have been
greatly benefited by Doan's Kidney
Pills. My kidneys were very inactive
and my back ached a great deal.
There was an extreme lameness
through my loins that would not yield
to any other remedy I took. Finally I
commenced using Doan's Kidney Pills
and my experience was so satisfactory
that I gladly recommend them."
(Statement given October 25, 1907.)

When Mr. Fugo was interviewed on
October 8, 1909, he added to the above:
"Since I publicly recommended Doan's
Kidney Pills some years ago, I have
taken them off and on and they have
always given me prompt relief. You
may continue to publish my former
endorsement of this sterling remedy."
For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,

States.

Fine Coats Muffs and Scarfs from one of the
Largest Houses doing Business in New York, Cleve-

We run no risk of undermining our reputation for handling good furs in of-

opportunity to purchase Wednesday and Thursday.

The furs consigned to us are the finer and more expensive sorts that lovers
of the finest must leave town to secure. The special showing is mainly of those
pieces that last a lifetime, are always in good taste and your choice may be had
of the plainly constructed sorts or the most elegant, exclusive kinds. This sale
comes in good time for anyone wishing to make gifts of beautiful, lasting furs.
Our own stock is in excellent fullness also, and nothing is lacking—combined with
the special line—that would be found in the largest stores in larger cities. The
prices on our stock are one-fourth to one-half under current market values owing
to good fortune in purchasing.

The market is full of cheap furs that can be sold at cheap prices, but these
are absolutely barred at Wright-Metzlers.

HOLIDAY PREPARATIONS CHRISTMAS SHOPPING.

During the early part of this month, the Union
Supply Company stores are dressed in full holiday at-
tire. The stores will be decorated and the Christmas
goods will be displayed, and everything possible to
assist our customers in their holiday shopping, will
be done. The Christmas fixings will be numerous and
novel in the woman's and misses' furnishing depart-
ment. Nice new designs in neckwear, shirt waists,
sweaters, hosiery, handkerchiefs, millinery, furs and
in fact, every sort of raiment you want. Do your
Christmas shopping early; there are several induc-
ements for it. First, you have large and better lines
to select from; second, you have more time; third,
you get better attention. Fourth, you get the goods
early, delivered to you whenever you want them.
Avoid the last hour's rush!

THE CHRISTMAS TOY DEPARTMENT.

It is not too early to talk about the Christmas toys. In fact we are
selling a great many now. We want to call attention to our large
lines this season. This toy department is growing annually and it
has reached a point now that we consider it one of our most im-
portant departments. The goods on display in this department now,
were purchased months ago, many have been made especially for
us. It is a regular toyland, fairyland, curiosity shop, steam engines,
electric motors, the engines, flying machines, trains, walking horses,
barking dogs, talking dolls, sleeping dolls. We haven't the time or
space to enumerate the many novelties they will all be on dis-
play early this month, and we advise that you go early to look them
over and make your purchases. Take the children along. We wel-
come them to our stores. The displays are largely for the benefit and
amusement of the children.
